

Cornell Notes 	Topic/Objective: 1st and 2nd Laws of	Name:
	Thermodynamics	Class/Period: Chemistry
		Date:

Essential Question: **What is energy?**

In what direction is heat transferred during a chemical process?

Questions:	Notes:	
Describe the heat transfer of cold and hot objects		

Thermal Equilibrium:

What are the laws of thermodynamics?

Thermodynamics:

1st Law of Thermodynamics:

2nd Law of Thermodynamics:

Summary:
